Local Hazard Mitigation Project List

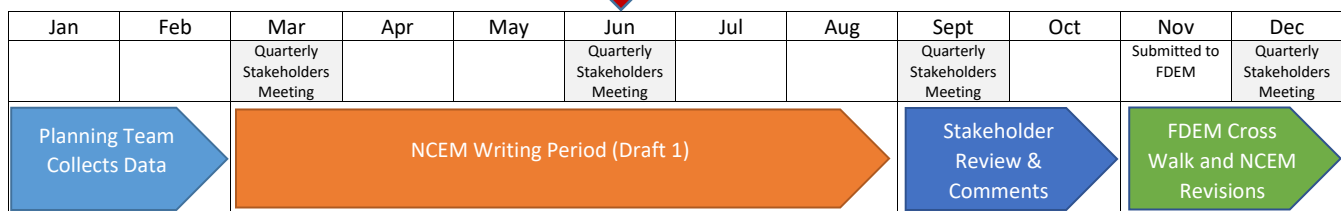

1. Changes to or comments on local mitigation priorities
2. Projects funded/initiated, completed, or withdrawn
3. Additional mitigation projects assigned to the LMS Task Force for scoring and ranking

LMS Task Force (the planning team) meets in the Planning Room immediately following the EM Program Working Group meeting. *The LMS document development process and timeline were presented and accepted at the Q1 2024 Stakeholder meeting.*

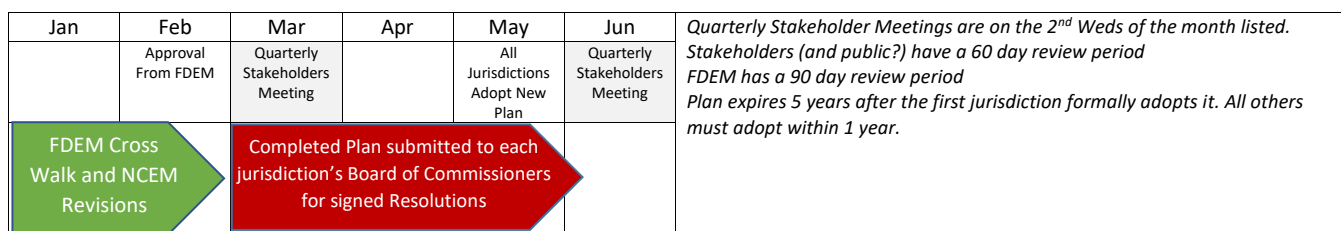

2024

2025

2026

LMS Task Force members are actively collecting information from their jurisdictions.

Stakeholders with information to add to the LMS – please communicate with your jurisdiction's Task Force Members.

Minutes of EM Program Stakeholders and LMS Task Force Meetings are available:

<https://www.onenassau.com/em-stakeholders>

**Next EM Program Stakeholders Meeting is
Wednesday, September 10th, 10:00 – 11:30 AM**

LMS Task Force Meeting Agenda

Wednesday, June 11th, 2025

Directly Following the EM Program Stakeholders Meeting

LMS Task Force:

- NCEM – Mark Wilson, Martha Oberdorfer
- Unincorporated County – Katie Peay, Greg Becker
- City of Fernandina Beach – Andre Desilet, Katie Newton
- Town of Hilliard – Lee Anne Wollitz, Alicia Head

Agenda:

1. New WebEOC Board for the LMS Task Force – current LMS, ranked project list, proposal forms, additional info, score sheets, FDEM LMS Update Manual and Crosswalk
2. Existing LMS Projects – Jurisdictional Updates and Priority Changes
3. LMS Project Proposals for Scoring – 14 have been distributed
4. New Jurisdictional Project Applications?
5. LMS Task Force Members' final responses to the questions sent out in February
6. Set meeting date for Task Force to read working copy, complete crosswalks, discuss missing details and factual edits – 3-4 hours – to finalize draft version for stakeholder review and submission to FDEM.
